2. DEFINITION OF 1RM

In the 1RM competition, an athlete will have three (3) lift attempts to lift as much weight as possible on the exercises listed below.

Exercises are performed in the following order:

MEN	WOMEN
Muscle up	Pull up
Pull up	Dip
Dip	Push up
Back squat	Back squat

3. EQUIPMENT

High bar – H: 2300mm, W: 1600mm, D: 33mm

Parallel bars – H: 1400mm, W: 550, D:48mm

Box – H: 700mm, W: 600mm, D: 500mm

4. QUALIFICATION & SELECTION OF THE ATHLETES

To compete in the Nordic Championship the athlete needs to qualify through their National Championship.

Only 4 athletes from certain category are passed through to the Nordic Championship.

Men and women qualify separately.

Athletes are allowed to participate in only one category in the Nordic Championship.

Athletes under 18 are required to have a consent form signed by their guardian.

5. COMPETITION LICENSE

Countries might require a competition license for the National Championship. There is no separate competition license required for the Nordic Championship.

Purchasing a license does not entitle to a refund upon participation cancellation.

6. RACISM & DISCRIMINATION

The Nordic association will not tolerate racism, discrimination and / or insults of any kind. This will result in immediate ban and expulsion from the competition. Each case will be reviewed post competition by the Nordic assembly and further consequences may apply.

7. DOPING

By participating in Nordic Championship, athletes accept requirements to take a doping test when asked to do so. If the results of the drug test are positive, the athlete will be banned from participating in official national and international competitions for 2 years.

8. CONDITIONS & INSURANCE

CONDITIONS

The Nordic Assembly reserves rights to the changes of this document.

Nordic Assembly reserves all rights for the pictures and videos taken from the event. By participating the event, athlete acknowledges and agrees to these terms.

INSURANCE

All athletes competing in the Nordic Championship, do so at one`s own risk (you are responsible for any harm or damage that you suffer as a result).

The Nordic association recommends athletes to have adequate health insurance while participating in the Nordic Championship.

9. CLOTHING & GEAR

The dip belt used in 1RM category weights 3KG.

The clothing is usually provided by the competition organizer or through the sponsorship of the event. Clothing needs to be appropriate so that the judges are able to see the joints and the movements of the athlete clearly.

12. COMMUNICATION & COMMANDS

START of the performance

Athlete arriving to the stage will have their preparation time before starting their performance.

When the athlete is ready in the starting position, the head judge will signal them with the voice command **“START”**.

When the signal is given, the athlete is free to perform the repetition.

DURING the performance

If the athlete fails to fulfill the criteria of the exercise, a red flag (or equivalent signal; for example, thumbs down) is raised from one or more officials.

If the athlete performs within the criteria of the exercise, all 3 officials will raise a white flag (or equivalent signal; for example, thumbs up).

The exercise needs to be performed with a one continuous motion. The athlete is not allowed to perform back and forth movement during the lifting phase of the exercise.

FINISHING the performance

The athlete's performance is finished when the athlete has returned to the finishing position **AND** the head judge has given them the voice command **“FINISH”**. The command is given once the athlete has clearly stopped the movement.

The commands can be found on an external document:

“Verbal Command listing for 1RM, Power and Strength & Endurance (Nordic 2023)”.

13. TITLES

The athlete with the most points in this competition wins the title of the Nordic Champion 2023 in 1RM.
